Dear Parents:

Advanced Music instruction is being offered to fourth and fifth grade students who have satisfactorily completed one or more years of instrumental music instruction (6th grade students at Almond, Locust, North Tamarind, and Redwood are also eligible). Violin, viola and cello players will participate in Advanced Strings; other instrumentalists will participate in Advanced Band.

Because students will be performing more difficult music this year, regular attendance at instrumental music classes and regular practice at home is essential. Students at multi-track schools are encouraged to attend music classes when they are off track, whenever possible. Students will need to maintain good grades and citizenship in the regular classroom in order to remain eligible for Advanced Music.

All students who submit this completed application, signed by both a parent and the classroom teacher, are eligible to participate. However, most parents will need to provide an instrument in order for their child to take part.

The Instrumental Music Teachers are looking forward to working with your child again this year. If you should have any questions, please don't hesitate to call the Instrumental Music Office at (909) 357-5000, extension 7146.

Sincerely,

The Instrumental Music Teachers
